

Project MORE

2018-2019 Partnership Form

In order for any school district or educational entity to use the title “Project MORE” in reference to their volunteer reading mentoring program, the school district or educational entity is asked to sign and submit an annual Project MORE Partnership Form verifying that their Project MORE program, in order to receive the best reading results, will be implemented with both quality and fidelity as demonstrated in their school’s initial training as provided by Project MORE. **Your partnership form is important to us!** By signing the partnership form, we can share with future Project MORE schools locations their staff may visit. Future funding for Project MORE may be based on the number of schools identified as using Project MORE.
